Schoolgirl

Ms. Oh's  
speeches are  
just too  
monotonous!

Commercial  
filming is much  
more boring  
than I had  
expected!

CUT!

Action!

Acting as a bored kid  
is actually boring,  
too~

Boyle's Law?  
Charles's Law? Why  
did these people  
make laws? This is  
torture!

Idol

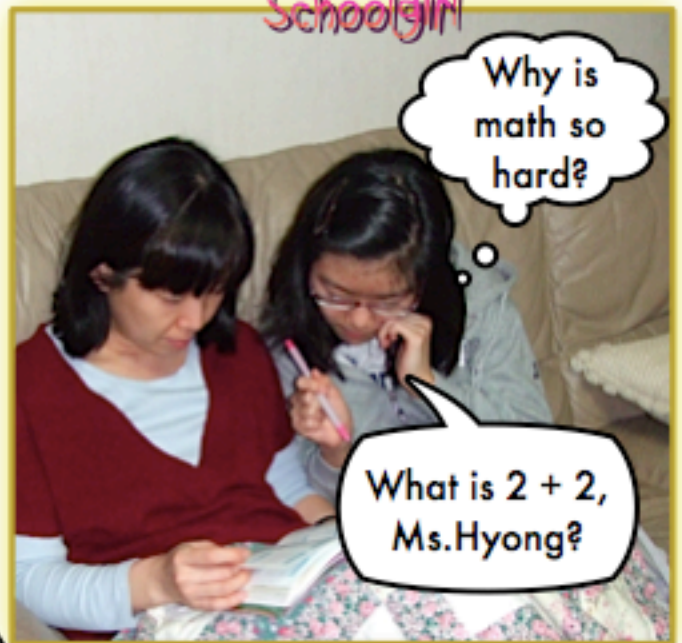

Thank you for coming to cheer me up! You are my true fans!

Can't I just go to sleep? What's up with all these fans?

I will rather fall from Niagara Waterfall than riding this bike for hours!

Schoolgirl

Why is math so hard?

What is  $2 + 2$ , Ms. Hyong?

Ms. Jeon is the worst teacher ever! She doesn't even know how to spell "hello"!

Read and take notes on fifty pages? Oh my god!

No more hula-hoop! This is nightmare-hoop!
